Thanks for your comments. I accepted them all, then sent that revised version to R5.

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

So, I'll be sending forward that version for review by Rhea and Scott.

I greatly appreciate your quick turn around on your comments!

Attached is the document back with OGC edits. Please let us know if you have any questions or concerns.

Also, please pass along R5's edits when available. I think we'd especially be interested to see what got included about transport, if anything. Thanks!

Subject: Controlled correspondence from U.S. Senator and Congressman from Wisconsin

Hi Jan & Derek,

Attached is a control from U.S. Senator and Congressman from Wisconsin. Response is due Monday. Deliberative Process / Ex. 5

Deliberative Process / Ex. 5 I think the focus is on the designations for 2015 ozone NAAQS rather than 2008 NAAQS.

I drafted up a response yesterday and sent to Region 5 for editing. I'm attaching that draft and will send you Region 5's markup as soon as I get it.

Which of you should I be working with on this?
